"An incredible group with an amazing atmosphere! I felt a genuine connection, not just with the other companies but with everyone in the group. The people we met were truly outstanding—top-notch in every way."

Those eligible to participate are:

- Founding and managing members of technology based Swiss startups, with a particular focus on innovative software, AI, ML, computer vision, cloud and security solutions;
- Fundraising and ready to grow business in the US with international investors;
- Building a global technology startup.

Venture Leaders have a clear-cut goal. They envision themselves as global players and want to take the first step towards their global expansion.

The investor and business development roadshow to the Silicon Valley allow for a deep-dive into the global technology scene and includes public and private pitch sessions, high-level networking opportunities, company visits and individual business development activities.

Venture Leaders Technology is organized by Venturelab. The program with a value of CHF 10,000 is offered free of charge to the winner's thanks to the support of DPD, EPF Lausanne, ETH Zurich, Kellerhals Carrard, Rothschild & Co, Unicorn Anchor, and the Canton of Vaud.
