Capital Deployment & Regulatory Challenges for PE/VC Article 8 and 9 Funds

Key Problem Statements:

- What are the reporting requirements for Article 8 and 9 PE/VC funds towards investors and the public?
- What are the regulatory restrictions when investing in portfolio companies?
- How should information rights and regulatory obligations be managed?
- What are practical examples of reporting and regulatory challenges for Article 8/9 funds?
- What are the implications if target companies are not compliant with Article 8/9 requirements?
- How can fund managers address cases where portfolio companies fail to deliver required data?
